RELAX AND PAMPER YOURSELF

Spanning over 15 acres of beautifully landscaped grounds, Philea Resort & Spa is a five-star award-winning resort built using natural resources, including 8000 pieces of disused railway sleepers, more than 6000 tonnes of marble, and recycled materials from shipwrecks! More than 3000 trees are planted within the resort to conserve and restore the natural resources while a man-made waterfall has been added to give it a distinctive touch. Definitely an exquisitely designed unique destination.
