## A total of 78 donors walked in to Philea Resort and Spa for a good cause

May 12, 2014 Asia, Hospitality News No comments

Acting Hotel Manager Lim Beng Weh (first from right), Director of Marketing Communications Connie Chin (second from right) and Dr Chong (first from left) presenting a goody bag and certificate to one of the donors, also the resort's associate, Yow Han Fuh (second from left) during the blood donation campaign.

Philea Resort and Spa Melaka in cooperation with General Hospital Melaka recently organized a second blood donation campaign involving resort associates as well as public in an effort to give back to the community and aims to increase public awareness on the importance of blood donation.

The event took place at the resort's grand ballroom from 10am to 4pm. Resort's Associates and general public enthusiastically participated in this campaign and had successfully collected 60 units of blood from all blood types out of a total of 78 who walked in. This noble cause had directly impacted the lives of thousands from all walks of life. These units of blood were then donated to Melaka General Hospital Central Blood Bank to be used when necessary.

The resort remains committed to its Corporate Social Responsibility by taking part in activities which sustain and add value to society and humanity. Commenting on the campaign, Philea Resort and Spa Melaka Acting Hotel Manager Mr Lim Beng Weh, also one of the donors said "We are happy to see this initiative continue successfully every year and we are proud of the great response from all our associates and general public. I thank everyone who took part and we look forward to have more donors when we have our third blood donation campaign next year."

This blood donation campaign is jointly sponsored by the Besfomec and Julie's Biscuits.
